Other things **you should know** about Green Dollars:

- 2011 Green Dollars are redeemable at our Wellesley Street farm stand **during the 2011 farm season only**. Our farm season typically runs from mid-June through to the end of October or beginning of November.
- Members often underestimate how often they visit our farm stand and, come August, find themselves fresh out of Green Dollars, and wishing they had purchased more! Of course we always welcome your non-Green Dollar visits, but you'll save more if you purchase enough to get you through the season!
- You may **not** exchange your Green Dollars for cash at any time, and nor will you receive cash as change for your Green Dollars. You **MAY** combine your Green Dollars with checks or cash when paying for your items at the stand. Unused Green Dollars are non-refundable.
- We reserve the right to declare any items as off-limits to Green Dollars at any time. These items may include certain value-added products such as onion braids or non-food items such as art or clothing.

Green Dollars are officially available on April 1, 2011, and will be available for purchase **only through May 31, 2011**.
